Group-Experience-Rating Program Enrollment

I agree to comply with BWC's group-experience-rating program rules (Ohio Administrative Code Rules 4123-17-61 through 4123-17-68). I understand my participation in the group-experience-rating program is contingent on such compliance. This form supersedes any previously filed AC-26.

I understand only a BWC group-experience-rating program certified sponsor can offer membership into the program. I also understand if the sponsoring organization listed below is not certified this application is null and void.

I am a member of the Cincinnati USA Regional Chamber sponsoring organization or a certified affiliate organization and would like to be included in the group named Cincinnati USA Regional Chamber it sponsors for the policy year beginning 7/1/2017. In addition, I would like to be included in this group each succeeding policy year until rescinded by the timely filing within the preceding policy year of another AC-26 or until the group administrator does not include my company on the employer roster for group-experience rating. I understand the employer roster submitted by the group administrator will be the final, official determination of the group in which I will or will not participate. Submission of this form does not guarantee participation.

I understand the organization's representative Sheakley UniService, Inc. (currently, as determined by the sponsoring organization) is the only representative I may have in risk-related matters while I remain a member of the group. I also understand the representative for the group-experience-rating program will continue as my individual representative in the event that I no longer participate in the group-experience-rating program. At the time, I am no longer a member of the program, I understand I must file *a Permanent Authorization* (AC-2) to cancel or change individual representation.

I am associated with the sponsoring organization or a certified affiliate sponsoring organization. [X] Yes [ ] No

OHIO WORKERS' COMPENSATION GROUP RATING PARTICIPATION AGREEMENT

Sheakley UniService, Inc., One Sheakley Way, Cincinnati, OH 45246 ("Sheakley") in partnership with our BWC approved group rating sponsor Lima Allen County Chamber of Commerce Inc ("Group Sponsor") hereby offers its services as consultants to the enrolling organization **S Gary Shoemaker Rigging And Transport** ("Participant"), which includes admission into our Group Rating Program ("Program") for the rate year July 01, 2017 to June 30, 2018, as well as third party administrative services for workers' compensation, and is subject to renewal as stated hereafter with the following terms and conditions:

Duties and Obligations of Sheakley

- Filing of the completed Employer Statement for Group Rating Plan (BWC Form AC-26) and the Sponsoring Organization's Application for Group Rating Plan (BWC Form AC-24);
- Providing regional industry education, safety, and claims management seminars;
- Providing actuarial review of Participant's rating experience;
- Providing claim management for work related injuries which impact Participant's premium rates; and
- Providing consultation to Participant and representation of Participant, as permitted, before the Ohio Bureau of Workers' Compensation and Industrial Commission of Ohio upon proper notification on the following matters: manual classification, claim and rate protest, and adjudication.

All services are subject to current and future administrative, state, and federal rules and regulations as they may be amended periodically by the State of Ohio, the Ohio Bureau of Workers' Compensation ("BWC"), and the Industrial Commission of Ohio, including those that prohibit the practice of law by non-attorneys. The parties agree this Agreement shall be construed according to the laws of the State of Ohio. The provisions of this Agreement are severable, and if any part of it is found unenforceable, the remaining parts shall remain fully valid and enforceable. It is understood that being a lay company, Sheakley cannot, and will not, perform any functions before the BWC or Industrial Commission that may be construed or interpreted as the practice of law. As permitted, Sheakley will assist in the administrative work incidental to the filing of claims and appeals. By accepting this Agreement, the Participant grants Sheakley the authority to execute and endorse, on behalf of the Participant, any documents related to the administration of its workers' compensation program, including but not limited to the filing of appeals, waivers of appeal, motions, request for reconsideration, or any other document which may be necessary to comply with the obligations of this Agreement.

Duties and Obligations of Participant

Participant confirms and agrees that it is a member in good standing with the Group Sponsor and is compliant with the following BWC Rules and Regulations: has not had a lapse in coverage exceeding 40 days; is current on BWC premium payment schedule; cannot have unpaid undisputed monies owed to the BWC that are more than 45 days past due as of the application deadline; and cannot participate in more than one group rating plan for the said plan year. Participant also agrees to comply with all current and future BWC Rules and Regulations. Participant further agrees that it is not a professional employer organization/leasing company ("PEO") nor does it have currently nor has it had in the past two (2) years a relationship with a PEO, and that it has no pending or completed merger, acquisition or business reorganization which will impact the experience of the group. In addition, prior to any future changes, Participant agrees to disclose in full to Sheakley any organizational restructuring, including but not limited to becoming a PEO, entering into a relationship with a PEO, purchase or acquisition of any portion of business operations, assets or employees from another business entity or BWC risk/policy, and/or successorship imposed by the BWC. If it is determined by Sheakley that future organization restructuring results in negative impact to the Program, Participant agrees to either stop processing of the restructuring or voluntarily request removal from the Program. Failure to disclose this information, or submission of incorrect information, may result in the assessment of additional service fees and/or monetary penalties or assessments against Participant. The amount of such fees, penalties, and/or assessments shall be determined by Sheakley, in its discretion and with approval from the Group Sponsor, considering the impact of the additional administrative work and group costs and any additional premiums imposed by the BWC on the Program and/or its participants. Any monies collected for additional premiums will be held by Sheakley and distributed on an equitable basis to any participating members required to remit additional BWC premiums. Failure to disclose such information may also result in Sheakley requesting that said Participant be removed from the Program.

Program Participation Fee

Upon acceptance of this Agreement, Participant agrees to pay, as invoiced, an annual service fee to Sheakley for administrative services as outlined in this Agreement. Participant acknowledges that said fee is for a 12 month period, beginning on the date that this Agreement is accepted, and is subject to change annually and that payment of this service fee does not guarantee participation, or continued participation, in the Program. In the event Participant becomes ineligible for group participation, or the Group Sponsor and/or Sheakley determines that Participant is ineligible for participation in the Program, payment received shall be applied to Participant's fee for all other administrative services as outlined in this Agreement. If Participant desires to withdraw from this Program and requests a refund of monies paid, it is understood and accepted that the refunded amount will be prorated for services rendered less a $75 processing fee. Participant may withdraw their enrollment up to the first Monday in November for that application year by submitting a written request to Sheakley UniService, Inc., Rating Department, One Sheakley Way, Cincinnati, Ohio 45246.

Rules of Participation

The Program will seek, through Sheakley and the Group Sponsor, to improve safety, accident prevention and claims handling for Participant, and Participant agrees to participate in and cooperate with such programs as a condition of continued participation. Participant agrees to comply with all current and future BWC Rules and Regulations related to safety training and accident prevention requirements. It is also required Participant attends regionally held safety/claims management seminars on an annual basis if Participant has a claim in the green period (07/01/2015 to 09/30/2016).

Participant agrees that if Sheakley and/or the Group Sponsor recommend at any time that certain action be undertaken by Participant with respect to a claim or risk which could adversely impact the group or the Program, including but not limited to settlement of a claim, contesting a claim, payment of wages in lieu of compensation, or engagement of counsel, and if Participant refuses or fails to take such action, the Group Sponsor and/or Sheakley may take such refusal or failure into account and may thereafter exclude Participant from the Program on such basis.

Indemnification

Participant hereby agrees to release and hold harmless the Group Sponsor, Sheakley, and their members, officers, directors, employees and agents, from and against all claims, liabilities, demands, obligations, costs or expenses, of any nature and whether known or unknown, arising out of or connected in any way to (a) the decision of the Group Sponsor or Sheakley to offer the Program, (b) Participant's contribution, premium, assessment, or distribution levels, (c) any questions of workers' compensation coverage or lapse of coverage, (d) any termination of Participant's involvement in the Program, (e) any abandonment or failure to apply or qualify for group rating status in any year, and (f) any decision by the Group Sponsor, Sheakley, or the BWC regarding an applicant's eligibility to participate in the Program. Participants' eligibility for participation is defined by requirements demonstrated in this agreement, as well as other contributing factors, and is at the sole discretion of the Group Sponsor and Sheakley. Participant's certification of any claim, or condition in any claim, shall release Sheakley UniService, Inc. of any further obligation of said claim. Sheakley may provide further management of said claim, as it sees fit, and at its sole discretion.

Participant acknowledges, represents and agrees that neither the Group Sponsor, Sheakley UniService, Inc., nor any persons connected in any way, have made any statements, representations, or guarantees to Participant with respect to premium or cost savings that will or may be realized by Participant by reason of participation in the Program, and that Participant has voluntarily chosen to participate herein without reliance upon any such statement, prediction, estimate or representation. Participant acknowledges that Group Rating is not a guaranteed savings program.

Terms of Agreement

Participant, if eligible and qualified, shall be eligible to participate in the Program as offered by BWC for the plan year 7/1/2017 to 6/30/2018. This Agreement will be considered accepted, and shall commence upon Sheakley's receipt of the Participant's completed AC-26, and will be effective for twelve (12) months from the inception of this Agreement. This Agreement and Participant's involvement shall thereafter be automatically extended for successive like one (1) year periods, provided that the Agreement and/or such participation is not terminated earlier. Participant acknowledges and agrees the Group Sponsor shall have no obligation to continue the Agreement or Participant's involvement in the Program for any successive year, and that current and continued participation shall be at the sole discretion of the Group Sponsor and Sheakley and will be based on eligibility.

Participant acknowledges that Sheakley UniService, Inc. is not a managed care organization and is not acting as such.

It is understood that this Agreement supersedes any prior Agreement, both written and verbal, between said parties and can only be modified by the introduction of a new Agreement, which has been mutually agreed to and executed by both parties.

In the event that Participant becomes ineligible to participate in subsequent group rating plan years, the aforementioned enumerated services will continue to be performed for the service period as stated in this Agreement, or until such time as former Participant renders written notice to the contrary at least 60 days prior to the expiration date of this Agreement.

In witness whereof, the parties have executed this Agreement on the _____ day of _____ 20 _____ .
