Shoemaker Rigging is pleased to provide pricing for the following work:

Work Scope: Load machines in Tallmadge, Ohio.

- **Shoemaker Rigging would provide the equipment and labor for the above referenced project.**
- **Shoemaker Rigging would load 5k and 35k machines in Tallmadge, Ohio and deliver to Cosar Mold in Kent, Ohio.**
- **Shoemaker Rigging has not included any utility disconnect or installation.**

This project is based upon the scope of work listed above. Any work beyond this scope must be approved, in writing, and signed by the owner or their designated representative. Clear access for cranes, equipment, and labor to all working areas is required. Removal of any obstruction is the responsibility of the owner. It is assumed that all aprons, driveways, hard-surfaced areas and plant floors are adequate for the necessary loads - static or moving - for all machinery and equipment used on this project. Delays due to non-Shoemaker Rigging arranged transportation could incur additional charges.

Total Price..... $8,500.00

Terms: Net 30 days. Proposal good for 60 days.

Thank you for the opportunity to work with your company, we appreciate the opportunity.

Regards,

Scott DeMuesy
