SHOEMAKER
RIGGING & TRANSPORT
WE RIG IT. MOVE IT. SET IT.

Shoemaker Rigging is pleased to provide pricing for the following work:

Work Scope: Load CNC machine at Kent State University in Kent, OH.

- **Shoemaker Rigging would provide the equipment & labor for the above referenced project;**
- **Shoemaker Rigging would move the CNC machine onto the loading dock and load onto customer-supplied truck;**
- **Shoemaker Rigging has not included any utility disconnect or installation.**

This project is based upon the scope of work listed above. Any work beyond this scope must be approved, in writing, and signed by the owner or their designated representative. Clear access for cranes, equipment, and labor to all working areas is required. Removal of any obstruction is the responsibility of the owner. It is assumed that all aprons, driveways, hard-surfaced areas and plant floors are adequate for the necessary loads - static or moving - for all machinery and equipment used on this project.Delays due to non-Shoemaker Rigging arranged transportation could incur additional charges.

Total Price..... $2,495.00

Terms: Net due prior to work commencement.

Thank you for the opportunity to work with your company, we appreciate the opportunity.

Regards,

Tim DeMuesy
