Shoemaker Rigging is pleased to provide pricing for the following work at your **Stow, OH** facility:

Work Scope: Move unit #70411 and unit #70422 machines:

- **Shoemaker Rigging would provide the equipment & labor for the above referenced project;**
- **Shoemaker Rigging would move machine #70411 outside;**
- **Shoemaker Rigging would move machine #70422 into the spot where #70411 was located and level machine;**

This project is based upon the scope of work listed above. Any work beyond this scope must be approved, in writing, and signed by the owner or their designated representative. Clear access for cranes, equipment, and labor to all working areas is required. Removal of any obstruction is the responsibility of the owner. It is assumed that all aprons, driveways, hard-surfaced areas and plant floors are adequate for the necessary loads - static or moving - for all machinery and equipment used on this project. Delays due to non-Shoemaker Rigging arranged transportation could incur additional charges.

Total Price..... $3,200.00

Terms: net 30 days

Thank you for the opportunity to work with your company.

Regards,
