We are pleased to invite you to participate in the Group Rating Program for the 2025 rate year 07/01/2025 to 06/30/2026 with the projected discount/savings of:

Participation Discount:	**-53%**
Individual Premium:	**$12,899**
Group Rated Premium:	**$8,504**
Projected Savings:	**$4,395**

Save even more! Not only do we guarantee the lowest fee, your Sheakley team can guide you through implementing the following programs and help you get savings on top of your group rating discount.

Earn an additional 4% or 7% through the Drug Free Safety Program. Choose the basic (4%) or advanced (7%, shown) level and stack this refund on top of your group savings	$595
Receive a 3% performance bonus rebate through Safety Council participation	$255
Up to a 4% bonus in the Transitional Work program	$340
Early payment rebate of 2% if the entire installment plan is paid in full by July 1st	$170

Total Additional Savings: $1,360

Sheakley offers a variety of programs that help you save time, save money, and stay compliant with the ever-increasing regulations businesses face today. We have dedicated teams that will review your policy for any additional reductions that may apply via handicap and settlement awards. Also, Drug Free Safety Program participants may be eligible for reimbursement of the costs of program activities through the Substance Use Recovery & Workplace (SUR) Program. PROJECTED SAVINGS: $4,395

Annual Service Fee: $ 185

PRICE GUARANTEE: Sheakley is dedicated to providing a competitive low-cost option and will match any competitor fee for comparable service.

For your convenience, this fee fulfills your sponsor membership requirement per BWC regulations. Payment is not due until you are invoiced by Sheakley.

YOUR SATISFACTION IS 100% GUARANTEED.
If we are unable to resolve any concerns and do not meet your expectations, we will refund your paid Sheakley annual service fee for the current contract year.

All participants must be in compliance with BWC guidelines to remain in the group:

- Maintain a current membership with the sponsoring organization.
- Any premium lapses in excess of 40 days may result in ineligibility from future program participation.
- Failure to report and pay your true-up may impact program participation.
- Outstanding BWC balance may result in ineligibility for program participation.
- Forms MUST be signed by an officer of the company and CANNOT be signed by the CPA/TPA or Accountant.
- Participant agrees to disclose in full to Sheakley any organizational restructuring, including but not limited to having a relationship with a PEO/AEO, purchase or acquisition of any portion of business operations, assets, or employees from another business entity or BWC policy, and/or successorship imposed by the BWC. Enrollment into our group acknowledges acceptance of these terms. Any participant that is not in agreement with these terms must notify Sheakley prior to the application deadline so that said policy can be excluded from our group rating program.

PLEASE NOTE:

1. All premiums must be paid directly to the Bureau of Workers Compensation, not Sheakley.
2. The group rating discount will automatically be reflected on the Notice of Estimated Annual Premium from BWC.
3. Sheakley sends monthly e-newsletters with updates on various topics including workers compensation changes, Sheakley safety offerings and unemployment.

This projection is based on current claims costs and rate tables as of the latest quarter end date. Sheakley reserves the right to re-evaluate your organization's participation when new data is available. Program participation as offered by the BWC is subject to current and future administrative, state, and federal rules and regulations.

RISK & SAFETY SOLUTIONS

Workplace safety is an integral part of an effective workers' compensation program.

We know that the best way to reduce overall premium costs is to prevent injuries from occurring in the first place.

Sheakley Risk & Safety Solutions offers a comprehensive suite of environmental health and safety services that help our clients craft holistic safety strategies that improve company practices, build awareness, educate employees and supervisors, and create a safer work environment for everyone.
