April 15th, 2024

Mr. Brad Morgan / DriV Inc
15701 Technology Drive
Northville, Mi 48168

Shoemaker Rigging & Transport is pleased to provide this proposal for the following work:

Work Scope – Provide labor and equipment to install RafterRT-2500 mill & Kent ancillary components.

- **Shoemaker Rigging would provide the labor and equipment to install the outlined equipment;**
- **Shoemaker Rigging would provide the anchors and grout for the machine components but has not included any concrete work;**
- **Shoemaker Rigging would install the equipment based on the drawings and information provided by Integrity Integrators;**
- **Shoemaker Rigging has provided pricing below for the 1st 6weeks of the contract and the remaining work would be billed weekly as outlined below;**

This project is based upon the scope of work listed above. Any work beyond this scope must be approved, in writing, and signed by the owner or their designated representative. Clear access for cranes, equipment, and labor to all working areas is required. Removal of any obstruction is the responsibility of the owner. It is assumed that all aprons, driveways, hard-surfaced areas, and plant floors are adequate for the necessary loads - static or moving - for all machinery and equipment used on this project. Delays due to non-Shoemaker Rigging arranged transportation could incur additional charges.

Total cost for the equipment setting 1st 6 Weeks..... $256,095

Total cost per week after 6 weeks.....$36,660

Terms: 50% down net 90. Proposal good for 60 days.

Thank you for the opportunity to work with your company, we appreciate the opportunity.

Regards,

Dan Marr
