Standard payment terms are 30 days from date of the invoice (Net 30 Days). An interest charge of 1.5% per month will be added to all past due accounts. In the event of litigation, court costs and attorneys' fees, with or without suit, incurred in collecting any past due balance shall be reimbursed by the prevailing party.

This communication, including any attachments, is for the sole use of the intended recipient(s), and it contains information that is confidential or legally protected. If you are not the intended recipient, any disclosure, copying, distribution, or use of the contents of this information or any attachments is prohibited.

NOTES:

1. Power conductors and raceways disconnected from the equipment and remain at the Yokohama facility.
2. Control Panels, control wiring and wireways will be labeled and secured to and transported with associated equipment.
3. Packaging, skids, lifting equipment and tie-downs are excluded from the electrical scope.
4. Cleaning of the equipment is excluded from the electrical scope.
5. Delays due to other trades, logistics, material availability or unforeseen variables outside of K&K Electrical Services control may incur additional costs.
