Shoemaker Rigging & Transport is pleased to provide this proposal for the following work:

Work Scope – Provide labor and equipment to relocate, set, and level two (2) Haitian injection machines.

- **Shoemaker Rigging would provide the labor and equipment to relocate, set, and level two (2) Haitian injection machines.**
- **Normandy Products would be responsible for providing reference points to set the machine.**
- **Shoemaker Rigging has not included any utility installation with this proposal.**

This project is based upon the scope of work listed above. Any work beyond this scope must be approved, in writing, and signed by the owner or their designated representative. Clear access for cranes, equipment, and labor to all working areas is required. Removal of any obstruction is the responsibility of the owner. It is assumed that all aprons, driveways, hard-surfaced areas, and plant floors are adequate for the necessary loads - static or moving - for all machinery and equipment used on this project. Delays due to non-Shoemaker Rigging arranged transportation could incur additional charges.

Total cost for injection press relocation ..... $9,025.00 USD

Notes: Work would be performed during normal work hours (M-F 7 AM – 3:30 PM); additional work may incur time and material rates.

Terms: Net 30 days. Proposal good for 60 days.

Thank you for the opportunity to work with your company, we appreciate the opportunity.

Regards,

Michael Cullion
